Don't hesitate too long, just give us a call. We have excellent first-hand knowledge about all of our regions, as we have been navigating ourselves most of the cruises. We can suggest the boat and the cruise matching your demands best.

## Option or Reservation?

You want to make a reservation for a cruise, but you are not sure about the travel dates? This should not keep you from giving us a call or sending us an e-mail telling us what you are looking for. If the desired cruise is available, we can put in a non-binding option for you. This option is valid 5 to 6 days, giving you the time to check your own availability. Before the option expires, you need to confirm or cancel it.

## Confirmation of your reservation

To confirm your reservation, all you need to do is send us back the reservation slip which you will find in the price list attached to our brochure. You can send the reservation slip by E-mail, by fax or by post mail (see addresses at the backside of our brochure). You can also fill out the reservation slip on our website (Tab "Request / Reservation").

## Payment

As soon as your reservation is confirmed, an instalment of 40% is due. You have various means of payments (see booking form). You can also use our online payment service, which is available on our website via a secured connection. The final payment is due within one week after reception of the invoice (approx. 5 weeks before departure). If you make your reservation less than 5 weeks before departure, the full amount is due immediately.

## Your travel documents

Upon receipt of your booking form, we will send you a booking confirmation with your travel documents. The most important is the Captain's Handbook, containing all information about your cruise (access to the bases, inventory, navigation, locks, etc.). If ordered, you will receive the water guide, too. The water guide is helpful to prepare your cruise and start dreaming of your upcoming barging holiday.
