Your **Pénichette**® is large enough for everyone to pursue their own interests. Mealtimes are an excellent time to get together and share regional food and drink specialities.

- An opportunity to visit a large city makes your cruise a real adventure. Amsterdam, Venice, Berlin, Potsdam, Toulouse, Nancy, Strasbourg, Amiens and Lyon are all attainable by boat, and being able to explore a city from a floating base is as practical as it is original.
- Try a long weekend or midweek break, to celebrate a birthday or any other festive occasion. Short breaks can be flexible and some dates have extremely attractive rates.
