## Plenty of activities for children

There is a lot for children to do including swimming (in lakes, the sea or in rivers). Here are a few examples, although this is not a complete list:

- The Camargue region, leaving from Lattes (Midi-Camargue region of Southern France)
- The Upper-Saône leaving from Scey-sur-Saône
- Roanne to Digoin canal leaving from Dompierre (Burgundy – Loire)
- From Cappy to Saint-Valéry (Bay of Somme - Picardy)
- The region of Mecklenburg and its lakes (Germany)
- Ireland leaving from Ballinamore
